REACH REGULATION COMPLIANCE STATEMENT

This statement confirms that Conxall Corporation is aware of the requirements of REACH Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006. It is the intention of Conxall to comply with the requirements of this regulation as the regulation applies to producers of Articles.

All products offered by Conxall are Articles, as defined in the REACH Regulation, and do not include substances that are intended to be released, in quantities totaling 1 tonne (2204 pounds) or more per year or otherwise.

173 Substances of Very High Concern (SVHC) identified 28 October 2008, amended 13 January 2010, 30 March 2010, 18 June 2010, 15 December 2010, 20 June 2011, 19 December 2011, 18 June 2012, 19 December 2012, 20 June 2013, 16 December 2013, 16 December 2013, 16 June 2014, 17 December 2014, 17 December 2015, 20 June 2016, 12 January 2017 and listed by the European Chemical Agency (ECHA) are not intentionally or knowingly added to Conxall products during manufacture unless otherwise stated. We will continue to work with our suppliers to identify any SVHC components contained in the materials procured for use in manufacturing Conxall products. Customers will be notified immediately if any SVHC use is determined. At this time we are not aware of any SVHC use in any of the Conxall products.

Note: None of our materials were analyzed for content, relying on the material supplier for Certifications.

The signature below certifies that the statements above are accurate.
